Even the present reply is incomplete it does not help the disposal of the case finally. However the case has been pending disposal over 2½ years it seems best to send away the available bills for adjustment & close the case. Days later on it is found that any arrear bill relating to the Bangalore Dist has to be adjusted it will have to be met out of the Contingencies of the Post Office.

A draft is accordingly put up for approval.

With reference to your letter No. 2516/P.P. 14-26-39 dated 29th September 1927, re: the cost of repairs of all the Great Trigonometrical Survey Stations referred to in the marginally noted* three Government orders, I have the honor to state that the cost of repairs of 5 G.T.S. Stations viz., (1) 2984 Hugadi H.S. (2) 2982 Dindemane H.S., (3) 2986 Kalingarayan H.S., (4) 2988 Koramur H.S., and (5) 2991 Vimaldi h.s., is pending adjustment. The cost of repairs to the remaining stations referred to therein except that of 2988 Koramur G.T. Station referred to in G.O. No. 5035-42/P.P. 74-24-1[illegible] dated 11-1-1926, has been drawn from the Treasury and adjustment has been made. The cost of repairs of Koramur station referred to in the above Government order of 11th January 1926 was too small to carry out the work and hence no work was done. The cost of repairs to the same station which is pending adjustment is that referred to in the Government order of 23rd June 1927 for which a bill for Rs 11/- is sent herewith for early payment of the amount by cheque.

~~Subject:—~~ RG 4/30

In reply to your D.O.No.3718/P.P. dated 24th instant in the matter of adjustment of the cost of repairs to Great Trigonometrical Stations in this District, I have the honour to state that Government Order No.G.5035-42 P.P.74-24-15 being intimated in your letter No.4379 P.P.14-26-50 dated 3rd February 1928 as not referring to this District - the other two orders referred to in your letter No.2512-15 P.P.14-26 dated 29th September 1927 pertain to the stations each of which is dealt with hereunder.

1. Station No.308- Kannur.- Kind reference is invited to this office letter No. C6-1334/27-28 dated 6th October 1928 stating that no repairs are needed.

2. Station No.317- Halasurbetta.- A sum of Rs 4/- was sanctioned in each of the Government Orders in question. A bill for Rs 4/- has been submitted for adjustment on 1st February 1928. From the references available it appears that this bill relates to the sanction accorded in Government Order dated 23rd June 1927, the amount sanctioned in Government Order of 19th May 1926 not having been spent.

3. Station No.326- Savendrug.- Rs 4/- was sanctioned in the Government Order of 23rd June 1927 and a bill of cost submitted with this office No.C6-1334/27-28 dated 6th October 1928.

There remain only the following 5 stations which are situated in the Bangalore Taluk viz.,

(a) No. 311 - Vyalikaval.
(b) No. 309 - Banasavadi.
(c) No. 313 - Basavanagudda.
(d) No. 316 - Kalasanahalli.
(e) No. 328 - Turuvangudda.

As regards the first it has been repeatedly reported that there are no references to show the expenditure.

It is further learnt after much correspondence that the repairs to the remaini stations were executed and amounts disbursed to the concerned parties as is seen fro
